Sabiki Consulting

Throughout his career, Deepak served clients and led teams on engagements involving forensic accounting investigations, quantification of damages, assessment of risk management and compliance programs, and data integrity compliance issues. He is adept at analyzing large sets of data to solve complex problems.

He assisted CEOs and founders in resolving accounting errors, investigating allegations of fraud, and providing an independent valuation assessment in a partner buy-out dispute.

Deepak led teams that supported a Department of Justice (DOJ)-appointed Independent Compliance and Business Ethics Monitor of a global investment bank, and a Forensic Adviser to the DOJ / National Highway Traffic Safety Administration (NHTSA)-appointed Monitor of a Tier One automotive parts supplier.

He also served as a guest lecturer at Baruch College, John Jay College of Criminal Justice, and Molloy College on topics related to data analytics tools and fraud detection.

Prior to establishing Sabiki Consulting LLC, Deepak served clients on similar engagements at Huron Consulting Group, Charles River Associates, Grant Thornton, and StoneTurn, where he was a Managing Director.
